Hi Josh,

On the attached SEPA comments, public works engineering made the following comment:

"Previous owners of the property were issued a grading permit (GP-19-00002) to construct a driveway. The applicant never called for an inspection, please reach out to Kittitas County Public Works to establish whether or not the work was completed. Additional work will require a new grading permit per KCC 14.05."

A couple questions:

- Can you please send us a copy of this referenced 19-000002 grading permit?
- This grading permit was issued by an applicant other than us. What is our responsibility in this situation?

Thank you,

Joel Greear
