Connie Raezer  
WSDOT

Ms. Raezer,

RECEIVED  
JUL 14 2023

Kittitas County CDS

BNSF Railway has no initial objections to WSDOT's proposed modifications to WSDOT facilities on BNSF land in Easton, WA. The like-for-like replacement of facilities and structures on land granted to WSDOT via easement is of no concern to BNSF at this time.

Sincerely,

Alex Funderburg  
Manager Public Projects (WA, OR, BC)
