NOTICE OF SEPA ACTION AND DECISION

Hyak PSERN Conditional Use Permit
ACU-18-00003

NOTICE IS HERBY given that pursuant to 43.21C RCW, Kittitas County Community Development Services did on November 28, 2018 make a Determination of Non-Significance (DNS) for and approved the Hyak PSERN Administrative Conditional Use Permit (ACU-18-00003). This proposal is located on Parcel #028335, located on State Road 906 in Snoqualmie Pass, in Kittitas County, bearing Assessor's Map Number 22-11-15040-0005. Bryson Burghardt, agent for Washington Department of Transportation is proposing the extension of an existing 60 foot Communication Tower to 90 feet for expanded emergency communication services.

Any action to set aside, enjoin, review, or otherwise challenge such administrative SEPA or the administrative conditional use on the grounds of noncompliance with the provisions of 43.21C RCW shall be commenced on or before December 12, 2018 at 5:00 p.m. to the Kittitas County Board of Commissioners, Rm. 108, County Courthouse, Ellensburg, WA 98926. Appeals of SEPA threshold determinations shall be consolidated with appeals of final permit approval, according to KCC 15A.04.020, 43.21C RCW and KCC 15.04 (such as a decision to require particular mitigation measures or to deny a proposal). A single simultaneous hearing before one hearing body will consider the agency decision on a proposal and any environmental determinations made, with the exception of the appeal, if any, of a threshold determination of significance.
