Re: Brain SG-10-00018

Dear Mr. Watson:

After conducting a review of the above named project, I have the following comments:

- Any new driveway or roadway must comply with fire apparatus access requirements, as stated in the International Fire Code and Kittitas County Code.
- New property lines cannot infringe upon existing structures.
- All future development must comply with the International Fire Code.

Any questions or concerns regarding fire service features may be directed to the Kittitas County Fire Marshal's Office. 509-962-7000.

Sincerely,

Brenda Larsen
