Doc was going to draft a letter for Plum Creek but we have been buried with the logistics of the compliance effort and his injury. We have a new planner on board and he is expected back full time within the next couple of weeks... we're getting there.

Hi Jeff,

I hope your holidays were good.

I would like to get a status update on the Plum Creek administrative segregation applications submitted last year. I don't remember receiving letters in the mail and can't find any email record from you on these files. The application permit #s are as follows:

SG-12-00002 / Anselmo Land Co.

SG-12-00003 / Orphan Girl Land Co.

SG-12-00004 / Neversweat Land Co.

These three were submitted 6/21/2012.

SG-12-00006 / Plum Creek Timberlands LP

This one was submitted 9/07/2012.

Please shoot me an email that I can pass along to my client.

Thank you Jeff.

Sincerely,

Dave
