**Cc:** Brenda Larsen; Joe Seemiller; John Sinclair  
**Subject:** RE: Notice of Application: AU-14-00004 Anderson

This project is in an area subject to wild land interface fires. I would anticipate that the WUI code would apply to the current use and for the proposed addition. Response time to this location for fire resources exceeds any reasonable expectation that a structure would be saved. Encourage consideration of fire sprinklers.

ADU to be addressed clearly for fire and EMS response.  
Access to conform to IFC 1012 – Appendix D

Thank you
