Jeff

We have no comments on this BLA if the following understanding is correct:
1.) There are no new parcels created
2.) The Fire Depts. Single parcel will expand from 1 acre to 2.5 acres
3.) The Fire Dept. will relocate its approach further to the east upon construction of the new facility.

We will want to see the site plan when the Fire Dept. decides to go ahead with the construction of the new fire station.
