BL-12-00017 Armstrong

Good Morning All,

The Legal Descriptions for the above application were submitted to Public Works for final approval. They do not appear to have addressed Condition #2 in the KC DPW comment/requirement letter (attached) as required. The application will remain in a conditional preliminary approval status until the requirement has been met. All of the documentation for this application may be found at: <http://www.co.kittitas.wa.us/cds/current/boundary-line-adjustments.asp> . Please feel free to contact myself or Ms. Wollman should you have any questions.
