Hi Jeff –

I apologize for the delay in getting back to you. If you don't mind, please send these to both Kristie and Amanda (their email addresses should be above). One of them will do the research and then give it to me. I know things seem to change often around here, so it's not your fault you can't remember. I am handling your area, so if you need anything else, feel free to contact me any time.

Thanks, we'll get back to you soon on this one.

I know one of you told me last time who to notify for land use applications but I didn't make a note... this time I will, I promise. Lila Black is gone though right?

Anyway, I have a boundary line adjustment here... see attached and give me a call if you need anything further.

Thanks,

Jeffrey A. Watson
