Re: BL-12-00028 Tritt Boundary Line Adjustment

The applicant who submitted the above application was misinformed with regard to the process for a boundary line adjustment inside the city limits of Roslyn. She was told by city personnel that she would have to **apply** with the county to complete her boundary line adjustment. What was meant was that she would have to **submit** her documentation to the county Assessor for perfection of the land use action. Since we cannot and should not duplicate land use review of this nature with the City of Roslyn, her application fee will need to be refunded.
