Hi Chris,

It looks like this BLA is to correct an encroachment onto the Umland property. Is it possible for you to show the actual driveway location on the "proposed" drawing?

What is the distance between the KRD NE corner and the proposed boundary (see red line on attachment)? It look like it's only about 10'. I will not be able to approve this BLA with that narrow of width without an easement.

Thanks,

Planner II | Floodplain Manager
