Re: Daugherty (BL-12-00031)

Dear Mr. Watson:

After conducting a review of the above named project, I have the following comments:

- Ensure that boundary line adjustments do not infringe upon existing structures, to include propane tanks, etc.
- All future development must comply with the International Fire Code.

Any questions or concerns regarding fire service features may be directed to the Kittitas County Fire Marshal's Office at 509-962-7000.

Sincerely,

*Brenda Larsen*
