Re: Tugwell (BL-12-00033)

Dear Mr. Watson:

After conducting a review of the above named project, I have the following comments:

- Any new roads that are created are to comply with Kittitas County Road Standards and the International Fire Code.
- Ensure that boundary line adjustments do not infringe upon existing structures, to include propane tanks, etc.
- All future development must comply with the International Fire Code.

Any questions or concerns regarding fire service features may be directed to the Kittitas County Fire Marshal's Office at 509-962-7000.

Sincerely,

Brenda Larsen
