Subject: BL-13-00005 Haberman
I-90, milepost 112.10 Left

We have reviewed the proposed boundary line adjustment and have the following comments.

- The proposed project is adjacent to Interstate 90 (I-90), a fully-controlled limited access facility with a posted speed limit of 70 miles per hour. Access to I-90 is not allowed.
- Our records indicate there is a 25-foot drainage easement along the south side of the property, abutting I-90 right-of-way. The property owner(s) are responsible for maintaining this easement.

Thank you for the opportunity to review and comment on this proposal. If you have any questions regarding our comments, please contact Rick Holmstrom at (509) 577-1633.

Sincerely,

Paul Gonseth, P.E.
