Someone came in on Friday and was frustrated about this file; I explained that because it was not finalized by the first of the year the 2014 taxes would need to be paid in full in order for the Treasurer to sign off. She brought back a receipt for the Coe parcel , but I am still showing taxes due for the Brady Parcel. I do not have an email for them so if somebody out there can get in touch we can get this thing finished up as soon as I get a final from PW and the taxes are paid.

Thanks,
