Re: Buress (BL-13-00028)

Dear Mr. Watson:

After conducting a review of the above named project, I have the following comments:

- Ensure that boundary line adjustments do not infringe upon existing structures, to include propane tanks, etc.
- Ensure adequate access for fire apparatus. Any driveways or access points created based off the new lot configurations shall comply with Kittitas County Code 20.02.030.
- All future development must comply with the International Fire Code.

Any questions or concerns regarding fire service features may be directed to the Kittitas County Fire Marshal's Office at 509-962-7000.

Sincerely,

Brenda Larsen
Kittitas County Fire Marshal
