Attention: Kaycee Hathaway, Planner

Subject: BL-14-00014 - Sukert
SR 903 milepost 4.2 right

We have reviewed the proposed boundary line adjustment and have the following comments.

The proposed project is adjacent to the SR 903 / Bullfrog Road intersection. SR 903 is a managed access class 4 highway with a posted speed limit of 35 miles per hour. Direct access to the highway within the roundabout's area of influence is prohibited. Access to the proposed lots must remain via Carek Road.

Thank you for the opportunity to review and comment on this proposal. If you have any questions regarding our comment, please contact Rick Holmstrom at (509) 577-1633.

Sincerely,

Rick Holmstrom
Access Engineer
