Notes:

Note No. 1: Any map or sketch enclosed as an attachment herewith is furnished for information purposes only to assist in property location with reference to streets and other parcels. No representation is made as to accuracy and the company assumes no liability for any loss occurring by reason of reliance thereon.

Note 2: All documents recorded in Washington State must include an abbreviated legal description and tax parcel number on the first page of the document. The abbreviated description for this property is: Ptn W Half NE Quarter and E Half NW Quarter Section 31, Township 17N, Range 19E, W.M.

Note No. 3: Your order for title work calls for a search of property that is identified by a street address only. Based on our records, we believe that the description in this commitment describes the land you have requested we insure, however, we can give no assurance of this.

To prevent errors and to be certain that the proper parcel of land will appear on the documents and on the policy of title insurance, we require verification of the legal description used for this commitment.

NOTE: In the event any contracts, liens, mortgages, judgments, etc. which may be set forth herein are not paid off and released in full, prior to or immediately following the recording of the forthcoming plat (short plat), this Company will require any parties holding the beneficial interest in any such matters to join in on the platting and dedication provisions of the said plat (short plat) to guarantee the insurability of any lots or parcels created thereon. We are unwilling to assume the risk involved created by the possibility that any matters dedicated to the public, or the plat (short plat) in its entirety, could be rendered void by a foreclosure action of any such underlying matter if said beneficial party has not joined in on the plat (short plat).
