

Memo

To: Kaycee Hathaway, CDS Planner I
From: Holly Myers, Environmental Health Supervisor
Date: May 5, 2015
RE: BL-15-00002-Petra

After review of this BLA, the following utilities are included and meet Public Health requirements for this application:

WATER SOURCE: EVERGREEN VALLEY GROUP A

SEWER SOURCE: EVERGREEN RIDGE P.U.D.

As long as septic and water services are provided as proposed above, Kittitas County Public Health has no further concerns.
