I don't see any issues with the proposed adjustment of the boundary given the current measurements provided.

Dusty - As requested attached a preliminary copy of the final survey with an updated application to match the factual acreages. The assessor's acreages are off and updated the form with an exhibit to show the existing tax parcels areas. For this application all adjusted boundaries are of equal area that is allowed by code in this zone. Also attached are the lot summaries PW wants for their file. Please review and contact me or Dustin back with any questions or concerns and we will address ASAP.

Dustin - You will need to meet all conditions of approval but please contact Dusty back when all taxes are paid for both parcels as he will not get notification from the Treasurer.

Thanks,
Chris Cruse P.L.S.
