Mr. Wallace,

Thank you for stopping in today. I talked with Jeff, and all we will need to issue a conditional preliminary approval will be a map set to scale, the survey will not be necessary for preliminary approval, only for final approval. Once you have a to scale map, you can email it to me to save a trip to our office. Thanks for helping us to understand your project and to clear everything up. I will send a signed preliminary approval as soon as we have a scale map.

Thanks,

Dusty Pilkington
