Kelly,

Did you ever hear back from WSDOT on this? Thanks!

Good afternoon,

The BLA attached is located off of a State Roadway. I show that it is maintained by Kittitas County so I am unsure if WSDOT received this early in review.

Rick – If you have any comments, please let us know.

Thanks,

Greetings. Could we get one last glance at this BLA prior to recording?

Thanks,

Dusty - As requested attached a preliminary copy of the final survey with an updated application to match the factual acreages. The assessor's acreages are off and updated the form with an exhibit to show the existing tax parcels areas. For this application all adjusted boundaries are of equal area that is allowed by code in this zone. Also attached are the lot summaries PW wants for their file. Please review and contact me or Dustin back with any questions or concerns and we will address ASAP.

Dustin - You will need to meet all conditions of approval but please contact Dusty back when all taxes are paid for both parcels as he will not get notification from the Treasurer.

Thanks,
