Dusty - Attached is the recorded survey with an updated application to match the final surveyed acreage. We had to adjust the boundary for EH to ensure there was not any setback issues. Also attached are the lot summaries PW wants for their file. I will contact both parties as I see they need to pay second half taxes. I also discussed this application with Keli Bender at KRD, have you received their approval? Please review and contact me back with any questions.

Thanks,
Chris Cruse P.L.S.
