Mr. Kelley,

I just talked to the Treasurer's office, and it looks like the taxes for the second half of the year may need to be caught up on both parcels, pertaining to issues with the mortgage company. If you have any questions as to the specifics of the issue, please contact the Treasurer's office clerk at (509)-962-7054.

Thanks for your time,

Greetings,

Just a heads up that I would like to check on the status of property taxes for parcels involved in this boundary line adjustment. If they are paid, I can sign off with the Treasurer's office and get this one forwarded for final recording. Thanks!
