Dear Applicant,

On August 17th, 2016, Kittitas County Community Development Services (CDS) received your application for the above Boundary Line adjustment Permit (BL-16-00012). The application was deemed complete by Community Development Services staff. However, the site plan provided is inadequate for Kittitas County Environmental Health's needs.

All Boundary Line Adjustment applications must include, among other items, "before" and "after" site plans, as well as detailed locations of any wells, and septic tanks. Distances from these features to lot lines must be clearly marked. Guidelines for site plans are enclosed.

If you have any questions regarding this matter, please feel free to contact me at (509)962-7079 or by email at dusty.pilkington@co.kittitas.wa.us.

Sincerely,

Dusty Pilkington
