Holly,

The Mitchell Short Plat is something that Jeff is working on. I have the Mitchell Boundary Line Adjustment. There was some confusion in a previous communication between myself and public works as to which project we were referring to. Just wanted to make sure we are on the same page.

Subject: Mitchell mylars

I have the mylars for the Mitchell SP.
We can't sign them until the Group B system is approved and DOH has given them and ID#.
I asked applicant for this information today.
