It is a Ron V. Mitchell. His name is on the application, page 2. Anything else you need?

Could you please review this application and submit comments for the decision. Control Click on the hyperlink above (or go to the attachment tab in EDEN). Comment period for this application ends on **10/04/2016.**

Thanks,

P.S. To Environmental Health: I understand that the site plan does not clearly show the distances from wells to the property lines, buildings, etc. I have informed the applicant that the application is complete for intake purposes, but a revision will be needed in order to make it to final processing. I thought I would get things rolling. Thanks!

which Mitchell is this please?

Yes, I can open the links, but I am wanting to confirm this is Howard Mitchell?? I can't find a first name on any of the links.

Dusty,

Mr. Mitchell will need to comply with the KRD General Guidelines prior to approval of this project. Please let me know if you have any questions.
