Luke,

The attached comments are for the Mitchell Short Plat. The application we I sent out a request for comment for the Mitchell boundary line adjustment. Same people, different application and location.

Could you please review this application and submit comments for the decision. Control Click on the hyperlink above (or go to the attachment tab in EDEN). Comment period for this application ends on **10/04/2016**.

Thanks,

P.S. To Environmental Health: I understand that the site plan does not clearly show the distances from wells to the property lines, buildings, etc. I have informed the applicant that the application is complete for intake purposes, but a revision will be needed in order to make it to final processing. I thought I would get things rolling. Thanks!
