Dusty could you get with Jeff and find out how to do this and then indicate to Cruze that this has been done? Thanks.

Doc - I was reviewing the BLA information online and did not see the application we submitted online. Can this be scanned in and put online?

Doc - Received your letter of incomplete application. The application and my narrative explained we desire to adjust tax parcel 315333 from 4.82 to 14.33 acres holding the county road right of way as the new boundary. The preliminary survey labels the existing boundary with an ownership tie to the proposed 14.33 acre parcel but did not label the county road right of way as the proposed boundary. The Crowley name appears in the bottom right title block and in the surveyor's certificate. I will add "proposed boundary" to the preliminary survey and drop off a copy. Please review the full size map and contact me back if you need additional information.

Thanks,
