Chelsea – Attached is a preliminary copy of the final survey for the Buildworx BLA application. Also attached is the lot summaries for county surveyor and updated SEG form to match the final surveyed areas. I transposed the foundation layout and final areas on the original application but the attached redline SEG form is correct and matches the survey completed. Please review and contact me back with any questions or if you need additional information and we will contact you back when taxes are paid for the year.

Thanks,
