Sure, two of the wells appear to be close to property lines (maybe less than 50 feet). I didn't get back to you because it appears that it may not be an issue as those two wells are not close to any proposed, new property lines.

When you get a minute can you look at the updated survey that you requested for BL-17-00015?
Thank you

Hello,
Attached is a new preliminary survey with the location of the wells. Please let me know if you have any further comments.
Thank you!
