Good afternoon,

Public Works has completed the review of the Carney boundary line adjustment preliminary survey and have no additional comments or requirements prior to final approval. I have attached a copy of their comments for your reference. Please proceed with recording the final survey and submit a copy of the recorded documents back to our office. Also, please ensure all taxes have been paid in full. Once a copy of the recorded document has been received and the taxes have been paid in full, I can proceed with finalizing the BLA.

Thank you,

Kelly Bacon
