Good morning Chris,

The Shelton preliminary survey has been reviewed and no additional changes were required. Please see the attached final comments from Public Works. Please proceed with recording the final survey and submitting a copy of the recorded documents to CDS for our record. Also, please ensure all taxes have been paid in full. Once a copy of the recorded documents have been received and the taxes have been paid in full, I can proceed with finalizing the BLA.

Thank you,

Kelly Bacon
