Rachael – Attached is the preliminary survey map to start the final review process. I updated the BLA form in blue to match the final survey. One of the smaller lots (B) had to be larger and affected the adjacent lots. All lots in this application are getting larger and “more conforming” as originally submitted.

Please review and contact us back if you need any additional information and/or authorization to record.

Thanks,

Subject: BL-20-00006 Flying M Ranch Conditional Preliminary Approval

Good morning,

Please find attached correspondence in regards to your client's Boundary Line Adjustment Application. He did not provide us with an email address and because I am working from home, I am unable to send him a hard copy in the mail. I will, however, call him and tell him preliminary approval has been granted and advise him of the conditions that must be met, as well as request an email address if he has one.

Please contact me directly if you have any questions.

Thank you,
