Rachael,

I have reviewed this application and have the following concern;

The well located on lot 1 is approved as a Group B well that is to provide potable water to future houses built on lot 2 and lot 3 of the Lang Short Plat. The concern is that once lot 1 of the Lang Short Plat is added (the boundary line between lot 1 and lot 4 is eliminated) to lot 4, that lots 2 and 3 will not have access to the approved Group B well located on lot 1. Prior to approval of the BL-20-00008 a water user's agreement needs to be in place for lots 2 and 3 to continue to have the right to the water. Lots 2 and 3 are currently owned by Al Lang, according to tax sifter.

Thank you,

Holly
