Good morning Mr. & Mrs. Ogg,

I just wanted to send you a courtesy follow-up regarding your boundary line adjustment application.

When I sent your transmittal of comments back on April 3, 2020, I asked that you address Public Health's concerns directly with them but I failed to mention that I will need documentation that Public Health's requirements have been satisfied to continue processing the application.

If you have any questions, please do not hesitate to reach out.

Best regards,
