Good morning Jeri,

Your current legal description according the title report is:

That portion of the Southwest Quarter of the Southeast Quarter and all of that portion of the Southwest Quarter lying North and East of Teanaway Road of Section 13, Township 20 North, Range 16 East, W.M., in the County of Kittitas, State of Washington

I need the legal description of what the new proposed lots will be,

Hope that helps!

Good morning, Could you send me an email of exactly what you need for this to proceed. I know you said you do not need a survey at this time, but I need to know what to tell our surveyor what we need now. Thank you.
