Dear Mr. Whitman,

Community Development Services (CDS) has received comments back from Public Works, Public Health and the Fire Marshall regarding your boundary line adjustment application. I have enclosed a copy of the comments from each department. Public Works comments will need to be addressed prior to final approval of your proposal.

The following information is necessary in order for staff to continue processing your application:

- An updated site plan depicting property line setback requirements consistent with Kittitas County Code 13.20.040 as described in Public Health comments, and
- An updated project narrative addressing Public Health's concerns.

Once these materials are received, I can continue processing your application.

If you have any questions regarding this matter, I can be reached by e-mail at [rachael.stevie.cd@co.kittitas.wa.us](mailto:rachael.stevie.cd@co.kittitas.wa.us).

Sincerely,

Rachael Stevie
