Hi Rachael,

These items were provided in the application. I've highlighted them on the attached maps for quick reference. The entire development is part of a Group B system, therefore the wells are on a separate property.

Thank you!

Marc Kirkpatrick

A message regarding COVID-19: Over the last several years Encompass has made significant business continuity investments to ensure our ability to operate during a local, regional or national disaster. At no point did we envision a global pandemic. While our top priority is the safety of our employees, we want to assure our clients that, despite some delays that are out of our control and unavoidable, we are currently operating with minimal disruptions. Our physical offices are closed to outside visitors but employees are transitioning back into the office, phones will be answered and your project will continue to move forward as much as possible given the circumstances.

Subject: BL-20-00023 Lawler - Request for Information

Good morning Mr. and Mrs. Lawler,

I am working on your Boundary Line Adjustment application. Before I can deem it complete, I need just a little more information from you. On a site map, the Health Department is going to want to

see the location of the wells and septic systems to scale. Once I receive that, I can deem your application complete and send it out for agency comment.

Thanks so much,

Planner I
Kittitas County
Community Development Services
411 N. Ruby Street; Suite 2
Ellensburg, WA 98926

rachael.stevie.cd@co.kittitas.wa.us

Please Note: In an effort to mitigate the spread of COVID-19 and the Governor's "Safe Start" reopening plan, Kittitas County Community Development Services is currently in Phase 3 and is open to the public in a limited capacity. At this time many of us are on a rotating schedule working from home and in the office; during this time I will do my best to respond to you as promptly as possible.
