

KITITAS COUNTY

DEPARTMENT OF PUBLIC WORKS

MEMORANDUM

TO: All Staff
FROM: Public Works Planning Review Team
DATE: January 26, 2021
SUBJECT: BL-20-00032 Evergreen Valley

The Public Works Department has reviewed the Request for Boundary Line Adjustment Application. In order to ensure that it meets current Kittitas County Road Standards, the applicant needs to provide the following prior to final approval:

1. A revised legal description that describes the final configuration of the subject property shall be required.
2. A survey map for review. Any comments regarding the survey map will be reserved for final.
3. Proof of legal access to parcel 12171 (Lot 21). No access is shown to serve lot 21 on the plat map or new boundary line proposal.

The applicant needs to be aware of the following:

- a. An approved access permit shall be required from the Kittitas County Department of Public Works prior to creating any new driveway access or changing an existing access.
- b. Any access serving more than 4 parcels shall be constructed to current Kittitas County Private Road Standards and certified by a licensed engineer in the state of Washington.
- c. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
- d. Any further subdivision or lots to be served by proposed access may result in further access requirements. See Kittitas County Road Standards.
- e. Evidence of existing access and/or evidence of access to be created should be confirmed prior to sale of property.
- f. Access is not guaranteed to any existing or created parcel on this application.

In addition to the above-mentioned conditions, all applicable Kittitas County Road Standards apply to this proposal. Please let me know if you have any questions or need further information.
