FROM: Public Works Plan Review Team  
DATE: August 18, 2021  
SUBJECT: BL-21-00019 Lowe

The Public Works Department has reviewed the Boundary Line Adjustment Application and has the following comments:

- a. An approved access permit shall be required from the Kittitas County Department of Public Works prior to creating any new driveway access or changing an existing access.
- b. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
- c. Any further subdivision or lots to be served by proposed access may result in further access requirements. See Kittitas County Road Standards.
- d. Access is not guaranteed to any existing or created parcel on this application.
- e. As no survey map was provided with the application any comments will be reserved for final.

In addition to the above-mentioned conditions, all applicable Kittitas County Road Standards apply to this proposal. Please contact Public Works at (509) 962-7523 if you have any questions.
