Dear Rachael:

Attached are pdfs of the project above for final review before mylars. Also attached are **revised closures** for Tract CA-1A, Lot 4A, Lot 5A & Lot 6A which had some slight adjustments.

Also, I have attached a **revised Application Attachment** that reflects the new square footage of the revised lots above.

Please do not hesitate to call or email me if you have any questions or concerns. Could you also pass the attachments to Public Works as well? You should have the closures for the other Lots from the initial submittal.

Thanks for all your help and have a great day,

Ginger :]
