Dear Mr. and Mrs. Pratt,

Community Development Services (CDS) has received comments back from Public Works and Public Health regarding your boundary line adjustment application. I have enclosed a copy of the comments from each department. Public Works comments will need to be addressed prior to final approval of your proposal.

The following information is necessary in order for staff to continue processing your application:

- A Revised legal description that describes the final configuration of the subject property.
- A preliminary survey map for review, including all existing access points and easements.

Once these materials are received, I can continue processing your application.

If you have any questions regarding this matter, I can be reached by e-mail at kelly.bacon.cd@co.kittitas.wa.us.

Sincerely,

Kelly Bacon
