Re: Teanaway Solar Reserve Conditional Use Permit (CU-09-0005) and Development Agreement

Dear Dan:

Please accept this letter as a formal request for extension to the response deadline of February 2, 2010 as requested by Kittitas County Community Development Services on December 4, 2009 for supplemental information on the above referenced project.

Teanaway Solar Reserve (TSR) has held several meetings with the natural resource agencies to discuss approaches to elk and habitat mitigation. The most recent discussion with the agencies occurred on January 25, 2010. The agencies requested supplemental information relating to off site mitigation, and TSR is currently working to collect that information and respond to the agency requests.

TSR is requesting an extension of 20 calendar days to submit the additional information to Kittitas County. Please extend the supplemental information request deadline to February 22, 2010.

Please feel free to call me at (503) 872-4803 if you have any questions regarding this request.

Thank you,

A handwritten signature in cursive script that reads "Nichole Seidell".
