RE: Teanaway Solar Reserve Conditional Use Permit (CU-09-00005) & Development Agreement

Dear Ms. Seidell:

Thank you for your letter transmitted via email on January 27, 2010, in which you request an extension of time to submit supplemental information for the Teanaway Solar Reserve proposal. In a letter dated December 4, 2009, the County requested submittal of additional information for the continued processing of the proposal, with a deadline for resubmittal of February 2, 2010.

In your letter, you note that the applicant has held several meetings with natural resource agencies and are currently working to respond to agency requests. You request an extension of time to submit the additional information to the County and propose a submittal deadline of February 22, 2010. This letter confirms an extension for submittal of the additional required information to no later than February 22, 2010.

If you have any questions regarding this matter, please feel free to contact me at (206) 382-9540, or by email to [anelson@GordonDerr.com](mailto:anelson@GordonDerr.com).

Sincerely Yours,
