Re: PacifiClean Conditional Use Permit (CU-13-00001)

Dear Mr. Hansen:

Upon further review, I am writing to request that you suspend, rather than terminate, the review of the above permit application. It is our intent to amend the current application by replacing the currently proposed site with an alternate site that is not located in the Elk Grove area but is located in Kittitas County.

Please contact me with any questions or comments at (509).944.4555 if you have any questions or comments.

Sincerely,

James D. Rivard

This is what we will want to place in the file as well. We should talk about this.
