Re: PacifiClean Conditional Use Permit (CU-13-00001)

Dear Mr. Hansen:

In regard to the above referenced permit, we respectfully request that you terminate your review of this permit application. It is our intention to work with the Kittitas County Development Services staff to locate a site within the county that "would not have the same environmental impacts as upon" the above referenced site.

Please contact me with any questions or comments at (509).944.4555 if you have any questions or comments.

Sincerely,

James D. Rivard

Doc – I sent this Friday but have been receiving some delayed delivery notices so thought I would send again. We are looking hard at the other sites and will keep you up to date. Thanks,

Jim
