5.2) Fire condition water storage is not required
as no buildings are proposed at this time
replace (5.2)

11.2) remove "prevent" and put "encourage"
- club cannot prevent legally

11.10) add (.) after properties.

12.3) Rewrite 12.3 that the Decibal levels
be met & confirmed by testing & that
rooms etc have been built per noise study
- not new noise study

12.10) Strike for clarity as not necessary in light
of record. could be you would facility no
restriction

Under Land & Air

add a Restoration bond → incremental approach
work w/ PW for estimate based
on past cleanups

add vad control condition — standard

continue for further discussion

~~Sept~~ Sept 3rd, 2013

CU-13-00001

- Jewell asked if we can move forward since MDRS has been appealed to superior court. Neil Caultkins addressed saying move forward w/ BCC decision so an appeal can ~~not~~ be made so each item could be considered as one.

- covered Shallicker spelling # 25 pg 5 of 8
HE

- Add
- condition of season limitation to Ms Shallbatter
May - Dec.

7.13 - Remove condition 7.13 as fulltime operation
is not allowed

(7.6 define turn around in this condition
and/or description of what it will be.

move for approval by Jewell
