I would like to say a few things in favor of the conditional use permit for Gibson Produce, I have followed Cathy since she first started behind the big fruit stand on Gladmar road. Cathy always has quality produce, you can buy it by the large box or small bag, and she is so fair with her prices. I can go to her and for \$8 buy enough produce to last me nearly two weeks. That is a blessing for me since I am on a fixed produce. I would be very saddened to see her not be able to have her produce stand this year at its present location.

Thank you
