I am writing in regards
to the City Commission application
for a conditional use permit
to reopen the area between
in Shopsy.
I see no reason why
the permit should be
revoked. They have a perfect
location off I-90, there are
no problems with traffic
and there is no problem
with noise.

There is plenty of room
for more than one
business at this site
off I-90.

We enjoy coming to a
small family owned
business that provides
great quality fruit and
produce.

The central area in
the Shopsy area just west
comes to the Shopsy - Ellensburg
area. This area is especially
in the summer and
we really enjoy Shopsy
at that time. There
is Shopsy, we get a
great variety of produce,
but we really enjoy
and different from the other.

I really believe they
Compliment our artists
and make stopping at
that visit a great
experience.

Thank you

Sincerely,
